## Why Attend This Training?

Certification is an important step in professional development in the behavioral health field. The Florida Certification Board is the only credentialing organization formally recognized by the Department of Children and Families to certify professionals in the addiction field.

This training provides an overview of the certification process from the initial stages through the written examination. A copy of the application form is included as part of the training.

## What Will I Learn?

By the end of this training session participants will be able to:

- Describe the benefits of becoming certified through FCB
- List the components of the application portfolio
- Identify the standards that pertain to the certification they seek
- Understand the process of qualifying to take a certification examination
- Describe the process for upgrading a certification
- Understand the process of certification renewal.

## Who Should Attend?

Anyone interested in becoming certified through the Florida Certification Board in Addictions, Prevention or Criminal Justice can benefit from this training.

Supervisors interested in encouraging their staff members to become certified are also encouraged to attend.
