Why Attend This Training?

This two-day training event helps participants to prepare to take the Florida Specific Written Review examination, which is required for the CAS, CAC and CAP credentials. It is also a useful review for those who wish to take the IC&RC International Exam.

The course covers each of the domains of practice for addiction professionals and includes a practice exam. Domains are:

- Understanding Addiction
- Screening/Intake/Orientation
- Treatment Services
- Case Management and Referral
- Client Record Documentation
- Professional Responsibility
- Criminal Justice Services
- Prevention Services

What Will I Learn?

By the end of this training session participants will be able to:

- Understand the roles and functions of an addiction counselor
- Identify the topics to be covered in the written examination
- Understand the examination structure and process
- Target topics for additional study prior to the examination

Who Should Attend?

Anyone planning to take the Florida Specific Written Review or IC & RC examination. Those interested in becoming certified through the Florida Certification Board in Addictions, Prevention or Criminal Justice can also benefit from this training.

Supervisors interested in helping their staff members to prepare for the examination are also encouraged to attend.
